

"What the #%\$&^!?"

by Cap Cid Highwind CapCidHighwind@aol.com

Part II

[The scene opens on a grassy field, miles outside of Midgar. A congregation is gathered there, a small casket suspended over an equally small rectangular hole...]

Priest: ...And so, we say goodbye to a friend. A loved one. Beloved companion of our great President, Rufus Shinra...

Rufus: [Stands motionless and unemotional]

Priest: May ye have an eternal rest. Ashes to ashes, dust to dust...

Rufus: [Steps forward and tosses a yellow rose onto the casket]

Priest: We commit the body of..Pooky-Wookums, The Stuffed Mako Bear, to this eternal resting place, serene and pleasant...

[Just then, Vincent swings in on a vine and snags the small casket, disappearing over a cliff edge]

Priest: What the #%\$&^?!

Rufus: [Looking up] Where did that vine come from..?

[The scene switches to Cosmo Canyon, where AVALANCHE, minus Vincent and Yuffie, are gathered...]

Cloud: Okay...we have several goals to achieve. We must find Hojo and retrieve the plans for his super secret, deadly Shinra weapon. We must also get Sephiroth's lucky socks from previously mentioned Mad Scientist, in order to deprive previously mentioned Mad Mans true power. Finally, we must get our materia back from Yuffie, who has bamboozled us again. Now--
Cid: GODDAMMIT!! Bamboozled?! What the hell IS your problem?! Just shut up already!! What's out FIRST order of business?

Barret: We got's to get our Materia back first, foo'.

Red XIII: Yes. That is the most logical choice.

Cloud: Fine! You're all so mean to me...

Cid: Oh for the love of the Planet! Why don't you just go CRY me a river then?!

Cloud: *Snort* Wee-wee-wee...Hurk...HURK...*SNIFFLE* [Runs off into his room, loud sobbing clearly audible from behind the door]

Tifa: Poor baby...

Cid: That's JUST what the little asshair is, too. Now, where is Yuffie? She wasn't in Wutai, we searched all over after she took it from us there.

Red XIII: She's not here either. But I have an idea of where she may be.

Barret: Yo' where be 'dat, foo'?

Red XIII: Why, the annual Materia Festival in Junon, of course.

Barret: Hey! 'Dat's right! 'Dey have it dere cuzza all da' stores n' shit!

Red XIII: So, let's get over there before she sells all our Materia.

Cid: Hell, looky there. Even this foppish dog says it manlier than that pansy-ass Cloud.

Cloud: [Suddenly another outburst of sobbing can be heard from within his room]

Cait Sith: Say, where's that gothic feller? Vincent? I just noticed he wasn't 'round.

Barret: We ain't got time fo' his ass now! To Junon!!!!

[AVALANCHE leaves Cosmo Canyon, followed shortly by Cloud, who had recomposed himself after several minutes... Meanwhile in Midgar, Floor 70 of the Shinra Building....]

Rufus: I want that Mako Bear back!

Reeve: What's the relevance of a...uh..'dead' stuffed Mako Bear?

Rufus: That's just it! He wasn't really dead! It was all a ruse! He took the same evil sneaky potion Romeo took in "Loveless"!

Reeve: That wasn't "Loveless", it was...

Rufus: Spare me the details! In any case, that foolish bear is going to leak the secret information to those little AVALANCHE people!

Reeve: How can you be sure of that?

Rufus: The stupid Santa Clause impersonator from AVALANCHE took him!

Reeve: ...He doesn't look anything like San--

Rufus: Oh, be quiet! You nitpick too much. I'll just call the Turks on this.

Heidegger: GYA HA!! Yes sir!! [Spritzes some antiseptic in his mouth and blows on a harmonica] Mi, mi, mi, miiiiii...! Ahem..... TURKS!!!!!!!!!!!!!!!!!!!!!!

The Turks: [All rush in, stumbling over each other, before forming into a line]

Tseng: Reporting for duty.

Rufus: Right. I want you all to find Pooky-Wookums, the stuffed Mako Bear.

Reno: Oh!! He was my BESTEST friend when I was a little tyrant!!

Rufus: You will never, EVER say that in my presence again. He was MY bestest friend. Now go. Go and find that Mako Bear!

The Turks: Yes, sir!! [They all salute and run off into obscurity]

Reeve: This is ridiculous...

Rufus: That does it. Heidegger, take this heathen to the dungeon.

Heidegger: We don't have a dungeon, sir!

Rufus: What? Well, build one and put him there.

Heidegger: Sir! There are complex tunnels and gas pipes beneath this building. Carving out a dungeon is nearly impossible!!

Rufus: The keyword is 'nearly'. Now go DO it!

Heidegger: YES...sir. [He turns and wobbles away]

Reeve: Uh....in the meantime, I'll just be over here...escaping...

Rufus: Good, you do that. I have more important things to do--Wait a second, you can't...

[It was too late. Reeve was halfway out of the building by the time Rufus caught on. Meanwhile, AVALANCHE have arrived at Junon....]

Cloud: We need to split up to find her! I'll take this road, you take that road, and you two take that road, while you take that road... [Cloud had failed to point in any specific direction, or indicate who should take what unindicated road]

Cid: Why do we keep letting this %&*#(\$ing nuthouse lead us?!

Tifa: It helps his self-esteem, Cid.

Cid: Well, it's crippling our operation!

Barret: Da' mans got a point. Da' spikey headed boy is a weirdo.

Cloud: ..HELLO?! I'm standing right HERE!!!

Red XIII: I'll just go this way...

Cait Sith: Yeah, and I'll be over thissa way.

Tifa: I think I'll go in this direction.

Cid: Well, hell, I'm headin' over to the bar district. Later.

Barret: I'll take da' gun shop district, dey sell Materia dere sometimes!

Cloud: [Looks around, as he's been left standing there all alone] Yeah!! That's exactly what I said!! You people make me SICK!!!

Sephiroth: [Suddenly appears in front of Cloud] Aw, I though only I had that effect on you.

Cloud: No, you just cause me to fall into a deeply retarded state. Oh, wait..HUNGYUYE!!! HOOOWWEE!!! HAARGOOOHOOO!!! [Falls flat on his face]

Sephiroth: Oh, just stand up a moment, would you?

Cloud: [Hops to his feet] Okay.

Sephiroth: Do you still happen to have that HP-MP Materia equipped?

Cloud: Oh! I forgot to unequip it. Lemme just....--

Sephiroth: Thank you! [He beats Cloud with a rubber hose several times, until he died] Very good. Now, onward and upward! [Poof]

[Meanwhile at The Junon Materia Shop....]

Yuffie: So, like, I risked my life to get all this Materia. I want 50,000 Gil, Five of those special MASTER materia's and five cases of Bazooka Joe Bubble Gum.

ShopKeeper: You some kinda loon. Get the hell outta my shop!

Yuffie: OH MY GAWD!! You SO did not just tell me to get out!

Red XIII: Aha! There you are! Yuffie!

Yuffie: Nyeeeeehhhh!!!! I gotta go!!

Red XIII: NO!! [Lunges at Yuffie, mouth wide open, teeth glistening in the light]

Yuffie: NOOOOOOOOOOO--....!!!!

[Back on the Junon Airport Path...]

[All but Red XIII, Vincent, and Yuffie are gathered around Cloud's dead body..]

Cid: DAMMIT!! He kept that friggen HP-MP Materia equipped!! Damn fool!!!

Barret: Well, we needs a phoenix down. Any of you foo's got one?

All: No. Not me. Nada.

Barret: Damn. Red XIII had all our Phoenix Downs. Where is da red sucka'?!

Red XIII: [Hobbles into the area, his stomach unusually large] Here.. *burp* I am..

Cid: What the HELL?! You been eatin' without us?! You better have brought me some tea at least!

Red XIII: Not...really.. *BURP* ..I accidentally ate..Yuffie...

Cait Sith: Ewww...a dog a girl engaging in that kind of activity...

Red XIII: NO!! Not like that!! I mean I actually, literally ATE her! *Burp*

Barret: Damn! Was 'dat really necessary?!

Cid: Talk about some mad-ass indigestion.

Red XIII: Well, we have Yuffie and the Materia anyway...but it'll take a few hours to get them both back, I'm afraid....

Cid: Oh for the love of...that's it, I'm headin' back to the Shinra Building. We gotta find Hojo now while we wait for the dog to take a crap.

Red XIII: Please...leave me my dignity...

Barret: Yeah! Back to Midgar!! Oh yeah, Red XIII, give Cloud a phoenix down before we go.

Cid: And someone take that goddamn HP-MP Materia away from him too!!

[Back at the Shinra Building....]

Rufus: Heidegger? Is my dungeon ready yet?

Heidegger: Sir...they're working on it now, but I must warn you, there are gas lines down there and--

Rufus: Is that all you can do? Laugh like a jackass in heat and talk of gas lines? I want results!

Heidegger: Gya, sir...

Reno: [Runs into the office] Sir! Our search for the Mako Bear has been unsuccessful so far!

Rufus: Blast. They must have him hidden somewhere. I want AVALANCHE arrested and brought here immediately!

Reno: Yes sir! [Reno runs off down the stairs]

Rufus: Now, where were--

[Suddenly all the Turks rush in followed by AVALANCHE minus Vincent]

Cloud: Da-da-da-daaaa! AVALANCHE!

Cid: Oh man!! [A swift kick to Clouds ass]

Reno: Uh...we got them!

Elena: What are you talking about, Reno? They were already on their way up--

Reno: SHHHH!!!! Ahem. We work fast, sir!

Rufus: Yes, very good work. Now, give me my Mako Bear you heartless hooliganistic heathens!

Barret: Whut da' #%\$&^ you talkin' 'bout, sucka'?!

Cid: Yeah! We ain't seen no damn Mako Bear! We just wanna know where that nutjob, Hojo, is at!! Spill it, dimple cheeks!

Rufus: I don't have dimples. I find them ugly anyway. My face is smooth and perfect. Now, back to the subject at hand...

Heidegger: GYA?!?!?!?!?!

Rufus: HOW DARE you interrupt ME with that--

Heidegger: SIR!! The workers have penetrated a gas line!!

Rufus: Well...tell them to shut off the main feed for the gas lines in sector 0 and keep all flames out of the area.

Cid: You guys are nuttier than an elephant's turd. [Tosses the butt of his cigarette out the balcony door]

Heidegger: GYA!!! YOU FOOL!!! WHEN THAT THING REACHES THE GROUND, WE'LL BE BLOWN SKY HIGH!!!!

Cid: WHAT THE #%\$&^?! WHY DIDN'T YOU TELL ME!??!

Reno: I GOT IT COVERED!!! [He takes off down the stairs]

Tseng: We may die any moment now. Elena, I need to tell you something.....

Elena: Y-yes?! Tell me! Tell me!!!

Tseng: Elena....I....I.....I love Rude!!!

Elena: [Jaw drops]

Rude: [Blushes and grins]

Tseng: Hahaha! Just kidding!

Elena:Oh..whew...YOU jerk!!

Tseng: Hehehe..

Rude: [Frowns and furrows his brow as a tear rolls down his cheek]

Cait Sith: [Hops off his mog and into Rufus hair]

Rufus: Someone get this broodling off of my head...

Cait Sith: [Hops off Rufus' head, leaving a pile of poop in his hair]

Rufus: ARGH!! Someone kill him for defecating in my hair!!! [Runs a comb through it, not helping much]

Reeve: That did the trick, sir.

Rufus: Shut up! You're under arrest anyway!

Red XII: Uh-oh..I think I need to go to the litter box too....

Cid: Hold that thought!! I think I've killed us all!!

[Meanwhile, at the base of the Shinra Building, in a big crater where a dungeon was supposed to be eventually...]

Worker #1: Man. That was close. We almost blew up the whole thing.

Worker #2: Yeah man, what a blast! HAR HAR HAR!!

Worker #1: ...Imbecile.

Reno: [Bursts forth from the lobby doors] *WheezeWheeze* I made it!!!

Worker #1: What the hell?

Reno: [Looks up, spotting the butt falling closer to the ground] AHA!! I got it! I got it!!

Worker #2: Got what? You hurtin' for one that bad I can give you a smoke, no problem, pal.

Reno: [Leaps up and catches the cigarette butt, spitting all over it] Whew! I did it! Hahahaha!!

Worker #1: Oooooohokay. Whatever you say, man.

Reno: This calls for a smoke. [Without even thinking, he placed a cigarette between his lips, and flicked his lighter...]

*****KABLAAAAMMMMMMOOOOOOOO!!!*****

[Meanwhile, in Lucrecia's Cave...]

Vincent: I've returned, Lucrecia....

Lucrecia: Stay back!!!

Vincent: I'm not even near you...

Lucrecia: Good, let's keep it that way.

Vincent: But, Lucrecia...I've brought someone special...

Lucrecia: Who? That stupid spikey-headed guy?!

Vincent: No. [Holds up a familiar looking Stuffed Mako Bear]

Lucrecia: *GASP* Pooky-Wookums!!!

Vincent: [He smiled, slowly handing her Pooky-Wookums, the Stuffed Mako Bear]

[In the distance, in the general direction of Midgar, a large mushroom cloud rose over the city as a cry rang out....]

"HEIDEGGER!! LAY OFF THE CORN!!!"

"GYA HA!!! SHADDAP!!! IT WASN'T MEEEEEEEEEEEEEE.....!!!"

Narrator: HOLY COW!! Will Yuffie still be in tact after she is released from Red XIII's large intestine?! Will Reeve be locked up?! More importantly, will he and the rest of AVALANCHE and Shinra Survive the explosion?! And what exactly are Vincent and Lucrecia up to with that damn Mako Bear?! Find out next time in the next episode of....
